

**Questium**

We do **IT** the right way!

# OVERVIEW

Quest America is a CMMI Level 2, global full service Information Technology services firm established in 1995 that provides solutions through **Consulting, Staffing and Outsourcing**.

Headquartered in Santa Clara, CA with offices in Vienna, VA, Chicago, IL and offshore facilities in India (Chennai), QuestAm offers a complete range of IT services with emphasis on packaged solution implementation (Oracle, SAP, Documentum) and custom application development (Java, .NET) for Federal and Commercial Clients. Additionally we also provide managed services for these solutions from our offshore facility in Chennai, India.

Our reputation is built on our past performance, dedication to quality, technical excellence and ability to deliver results on time, every time by innovative use of people, process and technology. The unique combination of our in-depth business understanding, technology expertise, and global knowledge makes QuestAm the superior choice for customers.

## BUSINESS FOCUS
